Young Natalie Knight gets quite an ass-
warming from Lightworship. He wields that
wooden paddle with certain expertise.
She's tied tight and wriggles gorgeously for
your extended pleasure.

And there is much more. Keep those let-
ters coming; we relish your ideas!

When did you start fetish modeling?

I was in the business about three months before I did my first bondage scene.

Were you surprised by anything? How did it go?

It went well. It was me and another girl. We were acting scared and stuff.

How do you feel about spanking?

I like it. I enjoyed it today!

Do you do any spanking in your personal life?

A little bit. Not a whole lot.

Are you more interested in the artistic side of fetish or the down and dirty side?

I like artistic things. I like things to look nice rather than down and dirty. I enjoy art of bondage photography.

Are you currently or ever been in a D/S relationship?

Not to a strong extent but to like a small extent I've always been a sub. I just like being told what to do.

Was today your first time peeing on camera?

Yes it was and it was so hard. HAHA. I honestly thought it was going to be a lot easier than it was but it wasn't. I think it was hard for me because I think peeing is a natural thing to do in private but when you have to do it on command it's hard because with other people around, it's a little embarrassing!

Have you ever peed on any of your boyfriends or them on you?

No. Never.

How was your first anal toy experience today?

It was actually not too bad at all. I guess I had an exaggerated fear of it.

Now that you know it's not so bad would you explore it further?

I don't know. Maybe! :)

Have you ever fucked a boyfriend with a dildo?

LOL. Yes but I'm not allowed to talk about it. I promised him but basically we only did it because he wanted to do anal and I didn't so I told him that for as long as I can fuck him with a dildo he can fuck me. LOL.

Do you have any weird fetishes during sex?

I just like to suck and lick balls but that's not really a

fetish, is it? Once I was asked to punch a guy in the balls. It was for a scene on a website. I was afraid I was going to hurt him at first, but I went for it.

Did he like it?

Yes, he seemed to, even though he was doubled over. That was the entire theme of the movie, ball kicking and punching! It was crazy, but I learned something new that day. Now if someone asked me, I wouldn't hesitate, but only if they wanted it.

What is the wildest thing you've ever done on set or in front of a camera?

Off set I had sex with two guys at the same time. We all got really drunk and just did it. No talking just fucking. I liked it, two guys at once. Double the dick!

Is there anything that you want to try?

I would like to do a big orgy scene. Only on set though. With both girls and guys. And I'd like to venture more into some crazier bondage, like suspension.

Is there anything you would like the TABOO readers to know about you?

I love all my fans! I love the attention and I love what I do! Please check me out on social media!

Why did you want to shoot for TABOO today?

I love bondage and it's a great magazine. My very first shoot was a bondage shoot and I loved it.

What did you do in that shoot?

I was tied up in every way imaginable...I was ball gagged, cloth gagged, hog-tied, the whole nine yards.

How did it make you feel?

It's like you're just stuck there but there's something about it that makes you like it. I felt what it means to be submissive.

Do you consider yourself to be a submissive, dom or switch?

I am definitely a submissive.

In G/G situations are you more submissive?

I'm more submissive but I've found that the girls I've worked with are also subs so it's been interesting working with them but I usually end up being the sub anyway.

Have you done any B/G submissive scenes?

Yes, I've done a ton in my personal life. I like the daddy fetish...I like being tied up and letting them have their way with me. I like being told what to do (with consent).

Have you done any squirting or peeing?

I've done lots of peeing on the ground or outside for shoots. I'm learning how to squirt though.

Have you ever been peed on?

Yes, in the shower but never anywhere else that I couldn't get clean right after but it sounds fun.

Tell us about the shower experience?

I was dating this guy and he had a fetish for pee. He asked me if he could try it and I said sure. He liked peeing all over me, my tits, pussy, and butt. Everywhere! I kinda liked the warm sensation, but mostly I liked the submissiveness of it. We did it a few times.

Have you ever been spanked?

I love getting spanked! I think it's so fun. I love it when I'm role-playing in the bedroom. I'm not really into hard or rough spanking but I'm cool with it every once in awhile.

Do you like rough sex?

Yes. I like very rough, passionate sex. I'm not as turned on when the guy isn't dominant or rough with me.

How about choking?

Oh yeah that's very common. There was one time when I almost passed out and I actually got turned on by it. We were trying something new and he used a belt but usually it's just hands.

When did you start modeling in the adult business?

About three months ago.

What made you want to try it?

I love it. I never thought I'd get to make money doing what I love to do for free and I get to learn tons of new things along the way. It's awesome.

What are some of the things you've gotten to learn?

Well that first bondage shoot was new for me. I've never been tied up in so many ways like that before. I dated a Boy Scout for two years so he knew how to tie me up. Lots of new sex positions that I didn't know existed like "pile driver" I was on my head basically and he was fucking me like that.

What do you think about anal?

I'm not really into it. I've used butt plugs a few times. They were small, and it was okay to play around with them. I'm not sure if I'm ready for the real deal yet but I might be open to it in the future.

What would you like the readers to know about you?

I'm really excited to be here today! I love this business and trying new things all the time. Please follow me on Twitter and Instagram. Ask me anything, I love my fans!

When did you start modeling in the adult business?

About six months ago.

What made you want to try it?

I really like to travel and I love meeting new people and this is a really fun job so I thought it would be cool to try out. I ended up really liking it and it turned out to be something that I want to do long term.

What fetishes do you like? What do you fetishize in your private life?

I like when guys suck my toes, which is kinda weird, and I really like beards. Those are my faves that I can think of off the top of my head.

Why did you want to shoot for TABOO today?

I love the attention to detail that goes into the photos. I was super excited to be a part of something so glamorous and sexy like this. I love magazines so this was an awesome opportunity.

So what kind of jobs have you been doing lately?

I've been doing a lot lately. I took a short break a little while ago but I've been blown away at how busy I've been. I didn't realize that I would get so much work right away. It's been super fun working with all the different companies that I see all the time on social media and websites and then all of a sudden it's me on all of them. I think that's super cool. But I would say that this shoot is probably one of my favorites though.

Do you consider yourself to be a submissive, dom or a switch?

I'd like to be able to call myself a switch just because I think it would be super cool to express my dominant side that I know is there. The majority of time I am cast as a sub. But I'm definitely interested in the dominant role. I like the idea of controlling others' orgasms.

So when you're with another girl do you find yourself being submissive?

I've been cast to do sub roles for girl/girl work but I always end up being the more dominant one.

Why do you think that is?

My personality plays into it a lot. I'm not overtly submissive. I'm not easy to control, you have to be very strong actually. I like a challenge and I gravitate toward power players. I can act the submissive role, but I'd rather "feel" the part. I am putty in the hands of a confident sex partner, but they better bring their 'A' game.

What do you think about anal?

I haven't done it yet. In my past I've tried using toys but I've never done real anal in private or for work.

Have you ever been peed on or pissed on someone?

I haven't done that but recently I did a shoot and the guy did something magical. He put two fingers in me and all of a sudden I started squirting everywhere. That's the first time I've ever done something like that.

Did he act like he knew that would happen?

Oh yeah, he did! He definitely knew what he was doing. He loved it and was super into it. It was such an overwhelming experience but really kind of hot. I was very surprised!

What's the wildest thing you've ever done on or off set?

I don't think I've done anything that's super crazy. I'm actually pretty vanilla. I have done some shibari and I actually really love that, but it's so high maintenance. The only time I tried it was in my personal life and my boyfriend at the time thought it was cool. We both really loved it, but because there's so much prep involved, we didn't do it again.

Did you ever get caught having sex in public places?

I never really got caught, but I have had sex in public. I did it in a swimming pool at 3 a.m. One time I did it in an abandoned senior citizens home in the area where I grew up. I also did it in an abandoned skateboard park. The senior home stands out the most though because it was the place where all the delinquents in my area would hang out. There was odd stuff like Ouija boards and candles. It was super weird. Thankfully, there was no one around at the time.

Have you ever been spanked?

Yes, I love it. I don't usually use paddles but I love the bare hand spanking. I like to do the spanking also. It's fun to switch that up sometimes.

We see you as a Top the next time you appear in TABOO!

Yes, please! I would love to! This is the perfect place to do it!

What would you like the readers to know about you?

My zodiac sign. I'm a Sagittarius. I also lost my virginity at 17 or 18, which is really surprising considering I've been a huge slut ever since then. I guess I was a late bloomer.

When did you start fetish modeling?

The first time I did anything I worked for a smaller BDSM company when I was six months in porn. Then I shot for Kink after I'd been in porn for a year. That was the first time I ever did a spreader bar and had been in bondage for longer than 30 minutes. It was really fun. We also did some electrocution stuff.

What did you think of the electrocution?

I liked it at the time because I like the fear play but now I don't really like it, I only like the threat of it. Now I'd rather electrocute other people.

What kind of fetishes do you like and do you have an interest in fetish in your private life?

It changes for me all the time. I go through phases. So many girls in the industry are into fetish stuff and right now the big thing is pee. Two years ago though when I first got into porn it was not like this at all but now everyone is all about it which I'm cool with.

Have you ever been pissed on or pissed on someone?

I would rather get peed on but I would like peeing on other girls. I think that's cute.

Has anyone ever peed in your mouth?

Yes. I actually prefer that. I don't mind swallowing.

Why did you want to shoot for TABOO?

I've wanted to shoot for TABOO for a long time. When I first got into porn I was interested in BDSM but there's only small companies that do it and then there's Kink. I've worked with Kink so many times but I still hadn't shot for TABOO. Every month when I see the new issue I always wish it could be me. I love the style of the photography in TABOO. I've been a super fan of the style for a few years.

How did you like working with Damien, our resident rope artist?

It was great. He was really professional and nice. He

was very responsive and making sure that I was okay the whole time. I felt very comfortable.

Have you ever been spanked?

Yes but that was pre-porn. I think that sparked something inside me. I still enjoy it but not as much anymore. Now I'm more into doing that with girls, both giving and receiving.

What is the wildest thing you've ever done on set or in front of a camera?

On set would probably be when I drank pee. Off set would be when I had a threesome at a party with two cute boys who were really nice.

What do you think about anal sex?

I love anal. I always thought that it was hot before I ever did it. I kind of idolized it and I didn't think that I'd ever be able to do it because I used to try and finger my butt hole and it felt really weird. Then I started shooting anal scenes because I wanted to at least try and it was my second time doing it when I came instantly and then I was hooked.

What's the most extreme anal scene that you've done?

I just did a DP for Aiden Riley. That was the most extreme scene for me.

Are you more interested in the art of fetish modeling or the sex of fetish porn?

Both. Because I've done so much BDSM porn now I want to do more of the modeling and photography.

Is there anything you'd like the TABOO readers to know about you?

I'm a Taurus.

Are you in a fetish lifestyle partnership or would you want to?

I'm not. I think the idea is interesting but I'd have to meet the right person.

ANGELA AND TRISTAN HIGHER AUTHORITY

PHOTOGRAPHY BY LEE FORBES

The burn of Tristan's whips builds slowly. He promises to hurt me and make my pleasure difficult. Strapped into the heavy cuffs and cranked off the floor, I can't help throwing my legs over his shoulders. My head falls back dizzily at the suction of his mouth on my clit. He knows so many ways to make me scream.

Panting, sweating, trembling, I struggle to be still when Tristan goes back to whipping me, taking as many as I can before begging on my knees to worship his cock. His mercy isn't tender. Choke-fucking me until the tears come, he hoists me open and stakes me on his marble-hard slab. Arms aching, I impale myself deeper. To fuck him harder, I perch my ankles on his shoulders for leverage. My whole body shakes with the effort, but I pound away at him furiously, approaching the edge already.

And then I'm on the floor, getting it from the back on the hard concrete, first cunt, then anus. I ask him to string me back up and fuck me there some more. The violence of my orgasm rattles the chains overhead, my bare feet braced tremulously on his knees. Limp as a rag, I sink down to take his meat, hot and greasy from my tailpipe, between my lips, sucking until his scalding jets splatter my face and gullet.

He earns his power over me and I his devotion.

IN THE NEXT ISSUE OF HUSTLER'S TABOO®

Pretty Eliza, with her flowing, dark tresses, takes a variety of punishing implements to her ample ass. She whimpers sweetly as each one lands expertly on her burning butt, delightfully warming her up for more surprises to come.

Uma Jolie makes her TABOO debut. This gorgeous vixen tempts all with her bewitching eyes and muscled physique. Submissive Uma transfixes even the hardest of Tops, who ultimately fall under her spell. Don't miss the magic!

Plus lots more gorgeous fetish girls bound, gagged and pampered just for you. See you real soon!
